Device Credentials
You registered your device to the organization. Add these credentials to the device to connect it to the platform. After the device is connected, you can navigate to view connection and event details.
Organization ID ea7xfp
Device Type TestDeviceType
Device ID 1234
Authentication Method use-token-auth
Authentication Token a18I+8uAqrHNKXxbo4
Authentication tokens are non-recoverable. If you misplace this token, you will need to re-register the device to generate a new authentication token.
Find out how to add these credentials to your device
